vermont country weddings

West Mountain Inn has been hosting country weddings for over 25 years and provides a wonderful, caring & experienced staff for your special day. We customize our weddings based on each couple's vision and budget so there are many options to choose from.

Our property offers a beautiful 1850's barn for receptions of up to 200 guests, gardens for ceremonies, mountain views, a restaurant with onsite catering and full bar, and 150 mountainside acres with lovely private hiking trails and the historic Battenkill River at the base of our drive. We also do tented weddings in our meadow overlooking the mountains for up to 300 guests as well as "Country House" weddings in our Main Inn building for up to 85 guests (up to 120 if we dine in both the dining room and living room).

Our Inn has 19 charming guest rooms and suites and can house up to 50 guests when all rooms are reserved. To provide maximum flexibility and privacy for your event, we require that all guest rooms be reserved by wedding guests for the Friday and Saturday of a weekend wedding. Prices for guest rooms range from \$195 - \$225 per night, double occupancy, the cost of these rooms is additional to the costs for the wedding.

wedding ceremony sites

Many couples choose to hold their ceremonies on our beautiful grounds, which can accommodate up to 300 guests. Couples often utilize both sites; one for their ceremony and one for cocktail hour so they can enjoy all the beautiful garden areas and scenery the inn has to offer.

Our facility fee includes the use of our ceremony sites as well as white Samsonite ceremony chairs, ceremony set up, white canvas umbrellas, and black wrought iron patio furniture if desired. Ceremony chairs can be upgraded for an additional cost. Power is available in both sites. Any audio equipment for ceremonies must be supplied by the client.

Our Labyrinth Garden site faces a lovely mountain view and is bordered by a small pine grove, colorful perennial beds, a meditation garden, a lily pond and stone wall.
